## Kids Now Love to Go to School

Created "Best school infrastructure in rural Telangana State" for over 1000 marginalized kids in eight schools. They now have auditoria, classrooms, playgrounds, library, science lab, computer lab, school benches and other facilities. Achieved improvement in 10<sup>th</sup> class pass percentage, reduction in school drop-outs, increase in attendance and much more.

## Improvement of Quality Education in 100 Schools

Scaled up our Quality Education programs to neighboring 100 schools and supporting 13,000 underprivileged kids with more emphasis on girl child.

## Recognition—State Swachh Patshala Award

Due to our persistent efforts, Kasireddyguda rural school has been awarded the Swachh Patshala Award for cleanest primary school in entire State.

## Prevention is Better than Cure—SMILES Program

Our unique, simple, universal, comprehensive preventive medicine program to address Sanitation, Maternal and child health, Immunization issues, etc., has impacted more than 23,417 indigent people across 100 villages. This program will be scaled to entire Telangana.

## Sneha—A Woman's Friend for Menstrual Hygiene

Educated women and distributed 30,000 packets of 8 sanitary pads each. For every \$1 you donate you provide 3 packets – 1 packet/month/girl

## Restoring Health and Dignity through Construction of Toilets

We have contributed to Open-Defecation-Free villages by constructing 614 toilets and persistent education of the villagers about toilet usage.

## Safe Drinking Water—2 RO Plants

More than a million liters utilized. 7000 villagers benefitted every day.

## Pragathi Rural Development Center (PRDC), Telangana State

Created a regional development hub (phase 1—\$250,000 facility) in Burgula to facilitate development in nearby 500 villages.

## 'I Do' Collaboration—Achieving Synergies & Scale

'I Do' is a young, dedicated team of PM's Rural Development Fellows (PMRDFs), alumni of IITs, BITS-Pilani, FMS-Delhi etc. We are proud to partner with them in our mission to alleviate poverty at scale.
