Our Major Efforts at a Glance in 2019

Our holistic grassroots efforts to make a difference in the lives of poor in 10 villages in India, some now extended to 250 villages.

- Inauguration of Pragathi Rural Development Center – our temple of development – a hub for impacting neighboring villages
- Nerallacheruvu model village development program
- Mandal Education Improvement Program impacting 13,000 children
- Libraries upgrade, free distribution of books, upgrading computer lab
- Model Primary Health Center – recognized by central government
- Women Empowerment Program – empowered 50,000 women by educating them on preventive health care, menstrual hygiene, and improving maternal and child health.
- Distributed 800,000 sanitary pads free so far
- Women Livelihood Project – training women in stitching, and distributing sewing machines for free
